- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have.
 - Taking steps to meet the particular needs of people who have a particular characteristic.
 - Encouraging people who have a particular characteristic to participate fully in any activities.
- 1.4. We welcome the opportunity to be transparent and accountable and publish our equality information and equality objectives. We aim to make the information accessible, easy to read and easy to find and so publish information on our Trust and school websites. It is also made readily available to all staff, Governors and Trustees.

2. Legislation and Guidance

- 2.1. This Policy meets the requirements under the following legislation:
- [The Equality Act 2010](#), which introduced the Public Sector Equality Duty and protects people from discrimination.
 - [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the public sector equality duty and to publish equality objectives.
- 2.2. This Policy is also based on the [Department for Education \(DfE\) advice for schools on the Equality Act](#), the [technical guidance for schools from the Equality and Human Rights Commission](#) and [guidance from the Government Equalities Office on meeting the specific duties that support the public sector equality duty](#).
- 2.3. This Policy also complies with our Funding Agreement and Articles of Association.

3. Roles and Responsibilities

- 3.1. The Board of Trustees will:
- Ensure that the Trust and its school comply with legislation.
 - Ensure that the equality information as set out in this statement is published, communicated and implemented throughout the Trust, including to the Local Governing Board, the Board of Trustees, staff, students and parents/carers.
 - Ensure that the published equality information is updated at least every year, and that the objectives are reviewed and updated at least every 4 years.
 - Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the school Principal and Local Governing Board or the Chief Executive for Trust-related objectives.
- 3.2. The Local Governing Board will:
- Ensure that they are familiar with all relevant legislation and the contents of this document.
 - Attend training, where appropriate.
 - Report to the Board of Trustees regarding any issues.
 - Appoint an Inclusion Link Governor at the first Local Governing Board meeting each academic year. The Inclusion Link Governor will oversee inclusion in the school including meeting with the Assistant Principal and other relevant staff members, to discuss any issues and how these will be addressed. The Inclusion Link Governor will report back to the Local Governing Board on at least a termly basis.
- 3.3. The Principal will:
- Ensure that the Policy is implemented, ensuring that all staff in the school are aware of their responsibilities and that they are given appropriate training.
 - Promote knowledge and understanding of the equality objectives amongst staff and students.
 - Monitor success in achieving the objectives and report back to the Board of Trustees/Local Governing Board.
 - Have due regard when making a decision or taking an action to whether it may have implications for people with particular protected characteristics.
- 3.4. All staff across the Trust are expected to:
- Have regard to this Policy and to work to achieve the objectives.
 - Promote an inclusive and collaborative ethos throughout the school and the Trust.
 - Respond to prejudice-related incidents that may occur.
 - Incorporate the principles of this Policy into their work.
 - Keep up-to-date with equalities legislation relevant to their work.

4. Staff Development and Training

- 4.1. Staff receive appropriate training and opportunities for professional development around equalities. All staff receive training on promoting equality, diversity and inclusion, safeguarding and SEND as part of their induction training programme. Governors and Trustees are made aware of appropriate training opportunities and it is ensured that there are appropriately trained members of both the Local Governing Board and the Board of Trustees.

5. Eliminating Discrimination

- 5.1. The Trust is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.
- 5.2. Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

- 5.3. Governors, Trustees and all staff are regularly reminded of their responsibilities under the Equality Act, for example during meetings.
- 5.4. The Disciplinary Policy outlines that unacceptable behaviour or attitudes and unlawful discrimination and harassment are examples of misconduct. The Policy outlines the process that will be followed, should incidences of this behaviour occur, noting the stages of investigation and possible outcomes. Staff are signposted to this Policy via the Staff Handbook.
- 5.5. We take seriously the importance of recording the numbers, types and seriousness of prejudice-related incidents at our Trust and how they are dealt with. We also investigate potential patterns and trends of incidents.

6. Advancing Equality of Opportunity

- 6.1. The Trust and its school will not discriminate against anyone by treating them less favourably because of their:
- Age
 - Disability
 - Gender reassignment
 - Marriage or civil partnership.
 - Pregnancy or maternity
 - Race
 - Religion or belief
 - Sex
 - Sexual orientation.
- 6.2. As set out in the DfE guidance on the Equality Act, the Trust aims to advance equality of opportunity by:
- Removing or minimising disadvantages suffered by people which are connected by a particular characteristic they have (e.g. students with disabilities).
 - Taking steps to meet the particular needs of people who have a particular characteristic (e.g. providing access to a prayer room, where requested).
 - Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all students to be involved in the full range of enrichment activities. This is something that is monitored and proactively encouraged).

Information About Students

- 6.3. In fulfilling this aspect of the duty the Trust will:
- Scrutinise and publish attainment data for the school, inspecting how students with different characteristics are performing.
 - Analyse the data referenced above to determine strengths and areas for improvement, working with the school to ensure actions are implemented in response and ensuring practices and policies are updated where appropriate.
 - Ensure that our objectives are kept under review and that they remain appropriate.

7. Fostering Good Relations

- 7.1. The Trust aims to foster good relations between those who share a protected characteristic and those who do not share it. Examples include:
- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of the curriculum. Each curriculum subject/area is kept under review in order to ensure that teaching and learning reflect this Policy. This includes all subjects completing a Fundamental British Values and Extremism Audit, which all teachers contribute to.
 - All students attend one session per week of CORE which is a compulsory programme and part of the student experience aimed at supporting personal development and wellbeing, as well as

progression to next steps. Students tackle a broad range of topics relating to the aforementioned fields, developing their oracy and bringing transferable skills to the forefront of their minds. Discussion is key to CORE sessions, with students being encouraged to show respect for the views and values of their peers. Principles of equality, diversity and inclusion are interwoven throughout the CORE programme. There are dedicated equality, diversity and inclusion sessions included in the CORE curriculum and values of respect and tolerance are aligned with school and Trust-wide policy for practitioners to follow in classrooms.

- Annual training for staff includes training on equality and diversity, British Values, PREVENT and appropriate language.
- Each classroom has Fundamental British Values published and presented on the wall.
- Students are made aware of our Climate for Learning and Attendance Policy, which outlines expectations regarding behaviour and contains a statement on bullying and harassment, during the enrolment process. All students are required to sign the Climate for Learning Agreement to show their agreement to adhere to the expectations outlined in the Policy.
- A Bullying Log is maintained, including recording any incidences of bullying in regard to protected characteristics. The Log is regularly scrutinised at a senior level and anonymised data on bullying is scrutinised by the Local Governing Board. Any incidences of prejudice-motivated bullying are taken seriously and dealt with equally and firmly.
- International and national awareness days and cultural and religious events and festivals are celebrated via enrichment events and activities which are often led by students or external people/groups who have specialist knowledge about particular characteristics. Students and staff are educated about their significance via CORE and the weekly Briefing Notes.

8. Equality Considerations in Decision-Making

- 8.1. The Trust and school ensure that due regard to equality considerations is given whenever significant decisions are made. We consider equality implications before and at the time that we develop policy and make decisions and continue to review these on a continuing basis.
- 8.2. The school will always consider the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:
 - Is financially accessible.
 - Cuts across any religious holidays.
 - Is accessible to students with disabilities.
 - Has equivalent facilities for all students irrespective of their gender.
- 8.3. In addition, the school has appropriate risk assessments in place.

9. Breaches of the Policy

- 9.1. Breaches will be dealt with in line with the Trust's Disciplinary Policy or the school's Climate for Learning and Attendance Policy, in the case of students.

10. Monitoring

- 10.1. We maintain confidentiality and work to data protection principles. We publish information in a way so that no student or staff member can be identified.
- 10.2. This Policy will be reviewed and approved by the Board of Trustees annually.
- 10.3. School-specific equality objectives will be reviewed by the Local Governing Board, and Trust-related objectives will be reviewed by the Board of Trustees, at least every 4 years.
